KETTLER GARDEN FURNITURE IS FOR EVERYONE

KETTLER is there for everyone and offers the right garden furniture solution to suit every lifestyle, so that carefree KETTLER feeling can find a place in every home.

Through this catalogue, you will accompany the families of Tina and Matt with their children Ben and Mia and their friends Alexa and Bruno, as well as the three-generation family of Elke and Knut - together with their children Theo and Ella and grandparents Conrad and Sonja.

They demonstrate the diversity of the world of KETTLER garden furniture on the lawn and terrace of a rural family home, at the allotment, or in an urban back garden.

OUTDOOR LIVING

KETTLER garden furniture transforms your garden, balcony and patio into places full of joie de vivre. We have an impressive selection from which you can find exactly the furniture that perfectly suits your style and needs. Each piece combines design and functionality and reflects the personality of its owner.

Whether modern or classic - the diverse ranges make KETTLER a favourite for anyone who values comfort and aesthetics. They become the centre-piece of any outdoor oasis, inviting you to linger and creating space for unforgettable moments with family, friends or simply for yourself. Whether dining together, celebrating or relaxing in the sun - everyone will find their favourite spot here.

Quality you can rely on day after day: Ever since 1949, KETTLER garden furniture has stood for durability, style and feel-good moments.

Our motto puts it in a nutshell:

We've been taking life outdoors. Ever since 1949.

QUALITY THAT GIVES PLEASURE

KETTLER has high standards of quality, design and comfort. Accordingly, only materials that meet or even surpass the specified standards are used. Our garden furniture is durable, UV-resistant and weatherproof, hard-wearing and scratch-resistant, colourfast and quick-drying.

KETTLER has developed its own processes to make sure of that. KETTLER also cooperates with many well-known partners and brands that stand for this promise of quality.

Quality you can rely on. Since 1949 and on into the future.

 The video of the KETTLER test of Sunbrella® and Agora® can be found here:

This makes the qualitative difference in upholstered outdoor furniture with a 5-year guarantee against colour loss, loss of strength, abrasion and pilling.

SUNBRELLA® is a registered trademark of Glen Raven, Inc.

All KETTLER parasols offer excellent sun protection - with UV-Protect 50+, more than 98% of UV rays are blocked.

The seal of quality for more sustainable forest management

KETTLER cushion covers with fabrics made from Dralon brand fibres have a pleasantly soft feel and are exceptionally resistant to light and weather.

The high-performance fabric for long-lasting enjoyment of your lounge cushions with a 5-year guarantee against fading.

All furniture with this logo has been tested by KETTLER not only for home but also for business use, i.e. it is also suitable for use in demanding environments such as hotels, restaurants, etc.

The patented solution from KETTLER for tactile, comfortable and active sitting in the FORMA II multi-position chair.

The new KETTLER maintenance products are available for many series. To ensure even longer enjoyment of your garden furniture.

OUTDOOR LOUNGE

OUTDOOR LOUNGE

GENTLE

Just like indoors - only outdoors!

Grandpa Konrad is relaxing in the GENTLE lounge, reading the newspaper, when he is surprised by a sudden visit from his grandchildren: 10-year-old Ella and 6-year-old Theo spend the summer day in their grandparents' garden and turn life upside down.

SUNBRELLA® The complete **GENTLE** collection from page 166

OUTDOOR LOUNGE

GENTLE

The perfect suite
 The GENTLE lounge chairs are ideal for a well-earned break. A few biscuits and fresh lemonade for Ella and Theo, a glass of red wine for grandpa Conrad and grandma Sonja. Thanks to the extra thick upholstery, the lounge chairs with FSC®-certified teak armrests are extremely comfortable. The low table is a perfect match.

SUNBRELLA® is a registered trademark of Glen Raven, Inc.

CIRRUS SILVER-LINE

For people of all ages and sizes

Unfold, set up, sit down: as you can see. Conrad feels at ease relaxing on the CIRRUS SILVER-LINE. The range is particularly suitable for older and taller people: extended chair legs, a raised seat height and an extra-long back and foot section ensure greater comfort.

The CIRRUS stackable lounger also has a higher front edge, making it easier and safer to sit down.

WHAT GOOD LUCK! A TOUCH OF HOLLYWOOD

PARADISO

PARADISO
Hollywood swing, anthracite/liquorice

! Also available in silver/liquorice

Dual use, dual protection
The PARADISO isn't just a swing. The versatile Hollywood swing seat can also be converted into a double lounger thanks to the easily foldable backrest.

The wide roof frame also has a dual function: it provides both shade and protection from a sudden rain shower.

PARADISO

The island of freedom

After the adventure, it's time to relax. While playing in the meadow, Theo and Ella have found their treasure island and can now enjoy the feeling of freedom on the PARADISO swing sofa. The family garden turns into an ocean, Theo becomes a buccaneer and PARADISO a pirate ship.

There's even room on the spacious swing seat for the family dog to sway back and forth with Theo and Ella in safety and comfort.

TABLE WORLD

The whole family likes to gather round the garden table: Conrad, Sonja and Elke start the day with a healthy outdoor breakfast. KETTLER offers a large selection of frames and table tops.

Put together your own table system. All elements are suitable for use in the garden, on the terrace or the balcony.

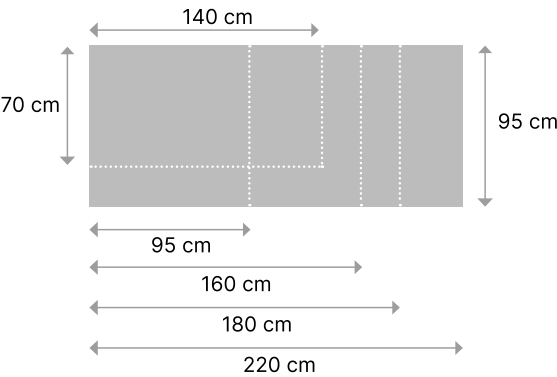

THAT'S THE TABLE FOR ME

Find your ideal garden table!

In just two steps, create your own table from a wide range of options to meet your exact requirements in size, design and material.

- 1. Choose the size, design and colour of the **table frame** from five model series.
- 2. Select the desired **table top** from five various materials and various decors.

Table sizes:

 You can find the video explaining the KETTLER table world here:

TABLE WORLD - TABLE FRAME

FLOAT

Floating design

It seems as if the table top is floating above the frame. Its impressively clean modern design makes FLOAT the new centrepiece of your terrace, on the balcony or in the garden. Choose the right model for you from five different sizes.

 The complete **FLOAT** collection from page 209

TABLE WORLD - TABLE FRAME

DIAMOND

Ready for take-off

Its curved legs give the DIAMOND frame a unique flair. With the right tabletop it really raises the tone of your terrace.

 The complete **DIAMOND** collection from page 207

 All **KETTCARE** maintenance products on page 237

TABLE WORLD - TABLE FRAME

EDGE

Stylish elegance

Here you feel at home: EDGE is the harmonious centrepiece for your sunny spot. The slightly rounded, triangular table legs exude a stylish elegance - a convincing design that makes all the difference.

 The complete **EDGE** collection from page 208

 Additional, height-adjustable foot caps available

TABLE WORLD - TABLE FRAME

CUBIC

Can be combined in many ways

Straightforward. Classic. Timeless. The CUBIC series with its square table legs offers a variety of different possible combinations and is available in two heights: for dining furniture (72cm) and casual dining (68cm).

 The complete **CUBIC** collection from page 205

 Additional, height-adjustable foot caps available

TABLE WORLD - TABLE FRAME

SKATE

New

The perfect addition for casual dining

Perfect for your Casual Dining suite. The SKATE table frame is the ideal centrepiece for your outdoor dining room. Enjoy your dinner outdoors and round off the day in comfort with your loved ones.

 The complete **SKATE** collection from page 209

TABLE WORLD - TABLE TOP

KETTALUX

Price-performance leader

Sonja is happy: on the KETTALUX table top, she can pursue her passion for board games without a care in the world - and read and write in between. KETTALUX is made of high-quality plastic and is sealed with a UV-hardened coating. The core is made from environmentally friendly recycled material.

 The complete **KETTALUX** collection from page 214

TABLE WORLD - TABLE TOP

HPL

 Also available in oval formats 240 x 132 cm and 160 cm and round format 140 cm

Unlimited possibilities

Weatherproof. Scratch-resistant. Unbreakable. Temperature-resistant. Easy to clean. With durable high pressure laminates (HPL) you also have a wide range to choose from: the 1.3cm table top is available in ten different decors as well as a number of special formats, including optional extensions.

 The complete **HPL** collection from page 211

 All **KETTCARE** maintenance products on page 237

TABLE WORLD - TABLE TOP

DEKTON

Glamour on the garden table

Knut looks satisfied. The multilayer structure with stabilising table top made of glass, ceramic and quartz (DEKTON) or ceramic and glass (CERAMIC GLASS) ensures a special shine on the outdoor table.

 The complete **DEKTON** collection from page 210

TABLE WORLD - TABLE TOP

TEAK

Cosy and secure

And after work Elke too can sit back, relax at her laptop and enjoy a cup of coffee. The garden table with its solid FSC®-certified teak top gives her a feeling of natural comfort.

 The complete **TEAK** collection from page 214

PRODUCT HIGHLIGHTS

- ▶ Light, delicate aluminium lounge series with fluffy, extra-thick seat cushions
 - ▶ Seating element with outdoor fabric offers additional seating comfort
 - ▶ Particularly modular system: flexible combination and use of all modules
 - ▶ Seat and back cushions made of Sunbrella® outdoor fabric in combination with fleece filling
 - ▶ Water-resistant and mould-resistant, making it strong and durable
 - ▶ High UV resistance and colour fastness (5-year guarantee against colour loss, loss of strength, abrasion and pilling)
 - ▶ Dirt-repellent and easy to clean
- ▶ Advantages of the Sunbrella® Outdoor fabric:
 - ▶ Thanks to its special impregnation, the fabric is particularly easy to care for and resistant to soiling from stains, grease, etc.
 - ▶ Special feature: the armrest on the end pieces can be easily adjusted and used as a headrest.
 - ▶ Lounge chair with armrests made of FSC®-certified teak wood.
 - ▶ All items are suitable for commercial use (except table frame), can be loaded up to 120 kg.

OCEAN SKID PLATFORM

(agora)

PRODUCT HIGHLIGHTS

- Easy-care aluminium frame in anthracite or anthracite matt combined with light grey mottled seat and back cushions made of UV-resistant Olefin fabric or brisa-coloured seat and back cushions made of 100% spinneret-dyed acrylic yarn from AGORA®
- Brisa in combination with quick-drying foam
- Water-repellent and mould-resistant
- High UV resistance and colour fastness (5-year guarantee)
- Stain-resistant and easy to clean
- Washable at 30° and ironable at low temperature
- Seat and back cushions in Sunbrella® outdoor fabric in combination with fleece filling
- Advantages of Sunbrella® outdoor fabric:
- Easy-care and durable thanks to a special impregnation

- Colour-fast, water-repellent, breathable and mould-resistant
- Five-year guarantee against loss of colour, loss of strength, abrasion and pilling
- Particularly modular system: flexible combination and use of all modules
- Extra-strong seat cushions: frame height: 26 cm, seat cushion height: 14 cm
- Aluminium tray or tray made of FSC®-certified teak wood can be universally attached to almost all modules on both the left and right
- Extension element made of FSC®-certified teak wood brings additional naturalness as well as extra storage space for decorations or glasses, for example
- The corner module can also be used as a lounger thanks to the option of adjusting the angle of the seat.
- Special feature: can be aligned to the left or right
- Can also be combined with the EGO Lounge table frame in 95 x 95 cm in anthracite or anthracite matt and a tabletop from the KETTLER tabletop collection

PURE

SUNBRELLA® is a registered trademark of Glen Raven, Inc.

PRODUCT HIGHLIGHTS

- Straight-lined frame combined with slightly rounded seat and backrest with integrated springing (except swivel chair): clear and elegant design
- Particularly modular: consisting of only two modules (corner/end section and middle section) and matching stool
- City-Line variant: modules 10 cm narrower and 5 cm lower than standard variant
- Aluminium base frame with Sunbrella® Outdoor fabric and quick-drying foam
- Advantages of the Sunbrella® Outdoor fabric:
 - Colour-fast, water-repellent, breathable, mould-resistant
 - Five-year warranty on Sunbrella® upholstery fabrics (colour loss, loss of strength, abrasion, pilling)
- All elements and lounger can be loaded up to max. 150 kg/suitable for commercial use
- Sun lounger and daybed with small decorative cushion
 - Backrest can be adjusted to multiple positions
 - Extra high (50 cm) and extra wide (90 cm or 206 cm) for even more comfort
 - With integrated castors for easy movement
 - The daybed/double lounger can be extended with a canopy in Sunbrella®

TAMPA

PRODUCT HIGHLIGHTS

- Dimensionally stable, high-quality outdoor fabric - guarantees a comfortable and cosy lying or sitting experience
 - Easy to transport due to its low weight
 - Fabric is breathable and quick-drying
 - Weatherproof and UV-resistant
 - Can be loaded up to max. 150 kg
- Stacking chair**
- Undulating profile matching that of the bathing chair
 - Stackable for easy storage

- Pool lounge**
- Ergonomic lying position takes the strain off the cardiovascular system and back
 - Heart-balance position: legs are slightly higher than the heart in a slightly angled position, which allows venous blood to flow better from the legs to the heart and promotes blood circulation
 - Individually and infinitely adjustable using the locking lever on the side
 - Foldable for easy storage

CUBIC/HPL EXTENDING TABLE

PRODUCT HIGHLIGHTS

- ▶ Easy extension of the table format with little physical effort
- ▶ Classic, discreet CUBIC table frame – with front slide for rectangular tables, where the legs move with the table
- ▶ High stability due to solid table frame
- ▶ Maximum load: 100 kg
- ▶ Easy-to-use and integrated butterfly system = can easily be adjusted for different table sizes
- ▶ Alternative: with insert plate:
- ▶ Space-saving storage of the insert plate(s) in the table frame
- ▶ Perfect fit is guaranteed by the combination of tongue and groove in the HPL plates and pull-out plates
- ▶ Integrated height adjustment of the insert plates
- ▶ Anthracite HPL top:
- ▶ Weatherproof, UV and temperature resistant, as well as scratch-resistant = particularly durable
- ▶ Adjustable table leg that compensates for unevenness

CERAMIC-GLASS EXTENDABLE TABLE

PRODUCT HIGHLIGHTS

- Modern look thanks to triangular frame
- Lightweight aluminium frame
- Incredibly lightweight synchronous extension
- The inner insert plate automatically comes up and goes down again
- Table can be fixed and secured so that it can no longer be extended
- Stainless steel fittings
- High-quality KETTLER branding
- Height-adjustable floor gliders
- Important: lift the table by the frame, not by the table top

BOULEVARD FOLDING TABLE

New

PRODUCT HIGHLIGHTS

- Modern, sturdy folding table frame made of rustproof aluminium with stainless steel screws

► Table top made of high-quality KETTALUX plastic, sealed with a UV-cured coating

► Easy to use, pre-assembled and space-saving storage thanks to folding mechanism

► 2-component plastic, environmentally friendly, manufactured using recycled materials
- With height-adjustable foot cap to compensate for uneven floor surfaces

► Weatherproof, UV-resistant

► Available in 9 different sizes – rectangular formats with straight table edge, so that they can be placed next to each other

► Flexible folding table that can be used as a buffet table, side table, balcony table, bistro table and, of course, a garden table

EASY TURN

PRODUCT HIGHLIGHTS

- Convenient opening of the sunshade using the crank
- Easy vertical tilting of the umbrella using the adjustment mechanism
- Convenient 360° rotation of the umbrella using the foot lever
- Cover with wind outlet opening
- Powder-coated aluminium frame
- Weather-resistant polyester cover with PU coating – 220g/ m²
- UV-resistant and light-fast cover 6
- UV protection UPF 50+
- Incl. cover (210 g/m² polyester) and cross-shaped stand, excl. base plate
- Cross-shaped stand designed for base plates 50 x 50 cm
- Can be used up to wind force 5 on the Beaufort scale

EASY FLEX

New

!

PRODUCT HIGHLIGHTS

- The KETTLER EASY FLEX is very easy to tilt and turn using the die-cast aluminium crank handle

► 360° rotatable, 80° tiltable on the front, 45° tiltable on both sides and therefore very good shade throughout the day without having to move the cantilever

► Cover made of 100% polyester 220 g/m² with sun protection factor 50+ according to Australian/New Zealand standard S/NZS4399:1996
- Pre-assembled, very easy final assembly with only 6 screws

► Powder-coated aluminium frame, stainless steel screw connections

► Foot step made of sturdy die-cast aluminium

► Very sturdy struts approx. 26 x 18 mm

► Includes cover and umbrella stand for pathway panels 50 x 50 x 5 cm (supplied without panels)

► Can be used up to wind force 4 according to the Beaufort scale

KETTCARE

PRODUCT HIGHLIGHTS

- High-quality cleaning and care products for a wide range of materials used in KETTLER products to maintain product quality for even longer

► Easy to use

► Water-based and therefore environmentally friendly, but still highly effective

► 100% recycled R-HDPE bottles

► Cleaner (HPL, plastic & wicker and aluminium) removes dirt and grease, oil, impurities and stains from surfaces

► Protector (HPL, plastic and wicker and aluminium) is a transparent stain protector and sealant – invisible, water and dirt repellent, protects against mould growth, maintains shine, protects against rust)
- Cleaner (for Outdoor fabric, Textilene and Rope) for cushions, linen and sunshades gently removes dirt and stains, freshens up the colour and ensures a fresher appearance

► Protector (for Outdoor fabric, Textilene and Rope) guarantees a fresh appearance for cushions, seat covers and sunshades over a long period of time, providing a continuous water and dirt repellent effect as well as protection against mould for the whole summer

KETTLER Home&Garden is the overall winner in the garden furniture category!

Awarded by ntv and the German Institute for Service Quality (DISQ) in the prestigious study 'Customer Favourites 2024'.

A victory that builds trust

The 'Customer Favourites 2024' award is proof that KETTLER not only meets our customers' expectations, but even exceeds them. It gives them the peace of mind that they are choosing products that consumers themselves have voted best.

Get the number 1 into your garden

Whether lounge sets, garden tables, chairs or parasols - our product range offers the perfect solution for every taste and any requirement. Find the garden furniture that adds that special something to your home.

HISTORY

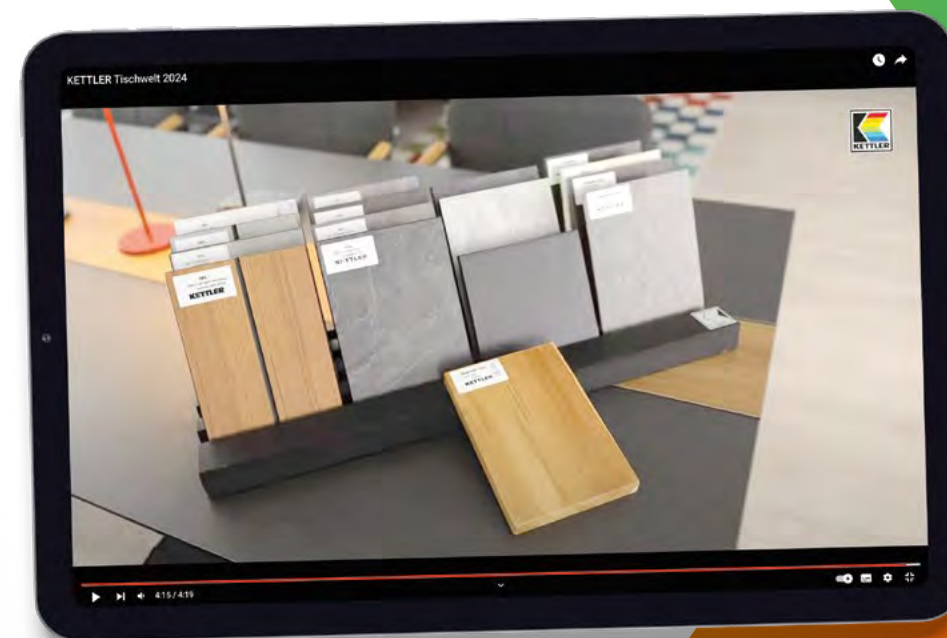

A COLOURFUL WORLD OF PRODUCTS: TODAY AS IN THE PAST

"KETTLER from the very beginning". This slogan guided customers through our 1967 catalogue. That was over 50 years ago. Today, our trademark rainbow colours show you the way through our world of products.

We hope that KETTLER garden furniture will give you a great deal of pleasure. Enjoy products which enhance your quality of life. Outdoors in the fresh air. Together with friends and family.

KETTLER garden furniture is for everyone. In the past, present and future.
